#IN BRIEF

Dave Flintstone describes himself as a "poobah" in multiple profiles. The term "Grand Poobah" was used recurringly on the television show The Flintstones as the name of a high-ranking elected position in a secret society.

https://en.wikipedia.org/wiki/Grand_Poobah

"Cheesybay" sells "faulty Hard drives" on eBay. All the reviews are GLOWING in ways that are bizarre given that he's self-reportedly selling "junk".

Compound in Hawaii has vats/barrels with what looks like the remain of rendering processes (dissolving tissues). The residue does not look at all similar to what would normally be associated with distilling or byproducts of a mash.

There's weak wifi signals coming from underneath the shed that indicate there's something underneath it.

"Bif Skipman" runs a "distillery" business at that address. It's an alias, of an alias, of an alias.

David Stone is "Bif Skipman" accoding to several links including the brand of hawaiian vodka he sells being seen at the "Bif Skipman" compound. daveflintstone.com whois lookup lists a home address for "Island Distillers" in Honolulu.

E-mails dug out of his gmail account reference a "Richard Windsor" Pseudonym that Lisa P. Jackson was caught using.

She works for the Clinton Foundation. The e-mail is possibly from the Music booker at Comet Ping Pong pizza.

The pizza place owned by the former gay boyfriend of David Brock, the CEO of Correct The Record and the venue for dozens of events for the Hillary campaign staff.

It's also a dive that according to reviews and photo has hidden bathroom doors and creepy murals.

But that's just the summary.

#Hold on to your butts

Tons of pre-existing evidence of global pedo-ring implicating governments and etc.:

Tony Podesta, John Podesta's brother and the guy who has a "pasta" obsession according to many e-mails did a 3 to 4 month trip to Japan with Dennis Hastert wher

e they both taught students.

Hastert admitted diddling kids when he did work as a teacher.

I looked up the property owners on Pakala through the tax assessor's office (someone's paying tax on the property). From the old wifi post, both the property with the concrete pad (577 Pakala) and the wealthy property next door with the building that off-the-book power lines go into (563 Pakala) are both owned by the same organization - B P BISHOP TRUST ESTATE - the wealthiest charity in the state worth $10B and has a 10% stake in Goldman Sachs.

In a 3 year period the estate lost an unaccounted for $241 million and operating costs increased by $19 million, maybe accounting for the underground construction. This was in the late 90s though, and the WiFi OP said he was doing construction there recently.

>...quantity of available financial information about KS/BE (the trust) is amazingly limited. Even the court-appointed master compared his attempts to get information from these trustees to trying to get it from the CIA. The usually mild mannered master was "outraged" by the trustees' "specious rationale" for not properly disclosing vital information. He called their excuses "so pathetic as to border on the ludicrous."

Really recommend reading the overview of BP Bishop Trust linked in that quote, it's plagued by scandal like everything else even tangentially associated with the Clintons.

Podesta e-mails make mention of Comet Ping Pong, "family-friendly" restaurant/venue with ping-pong for kids:

Video recorded during Sasha Lord's birthday party at Comet Ping Pong. Individual with the microphone wearing a wig and ski mask is Amanda Kleinman (aka Majestic ape). Words used are very strange, video was deleted within an hour of it being found on youtube and had to be archived and reuploaded.

Her band "Heavy Breathing" has a music video that references pedophilia. Most of the "Schtick" for her band is intentionally being provocative, weird, and awkwa rd.

From the above, Amanda Kleinman might have some familiarity with "Eli" and may h ave been to the one to make his costume. Anything beyond those two things is sup position, but extremely creepy supposition.

Podesta e-mail with HRC pizza logo (Design provided by James Alefantis) says to donate to "PizzaPAC.com" registered to one JZ Drizin; Most recent tweet is retwe et from Pizza Packet, company that sells and delivers nothing but seasoning pack ets for pizza

His home address is

http://archive.is/GlWyl

pizzapacket.com is a legit business and there products do get used by many pizz a chains. HOWEVER...

Address listed for Pizza Packet on their website goes to a post office in Florid a (30 minutes from the Epstein mansion though). Also owns Frapes LLC

http://archive.is/EgCwX

Address listed for a sponsor of a Pizza Packet contest (762 Park Place, NYC, NY) ;

https://i.sli.mg/4uH0eR.png

Streetview of this address shows a business name of "AR medical & Dental Supply Corp and a website address. That domain is inactive, but was crawled by the wayb ack machine successfully a few times.

https://web.archive.org/web/20040525172103/http://www.ardentalsupply.com/

The phone number if googled indicates that the business moved to a new location, and the owner of that business probably failed to remove the awning before relo cating, **so that lead is a dead end**. The ownership of the 762 park place addr ess is currently unknown.

However, Pizza Packet is owned by "Itchie Gross"; Richard "Itchie" Gross LinkedI n profile has picture of a commercial jet.

https://www.linkedin.com/pub/richard-%22itchie%22-gross/6/611/456 (Account page deleted 11-3-16)

https://i.sli.mg/5KHjDf.jpg

Color scheme appears very similar to Jeffrey Epstein's personal 727.

http://sli.mg/Z672Lh

Address for "Dr. Itcuie Gross, MD," who does not seem to have an NPI number, goe s to 533 Bedford Avenue, Brooklyn, NY; Does not look like a doctor's office; two young children can be seen at the entrance.

https://i.sli.mg/SWPsrX.jpg

Twitter Account for "Pizza Packet LLC" is just coordinates in Brooklyn: 40.67053 4,-73.950061

Angels of Love Deals From Heaven deals with Haitian kids, based in FL; Follows P izza Packet on Twitter

http://archive.is/Rn0NZ

http://archive.is/LRYGa

Address: 15592 NE 15th Ave, North Miami Beach FL

Google Maps indicates that it is the only house on the street with all windows b arred; Does not look like a business of any sort. But some have noted that this isn't unusual for Miami. Lead is another dead end.

**Need to establish some kind of business relationship or association between Ri chard Gross and the Hillary campaign. Otherwise this chain is coincidental since the logo and header James Alefantis made might simply be a joke reference to a domain he never intended to create.*

#Addendum - Also from those threads but don't relate to Comet Ping Pong or Hawai

Ruby, Emerson and Maeve are the children of Alexandra Tydings, the actress who p layed the goddess Aphrodite on Xena the Warrior Princess.

She is married to Benjamin Luzatto, son of Tamara Luzzato's ex husband.

There is a blog post here discussing the birth of Meave Luzzatto:
https://archive.fo/y2e56

The woman who gave birth to the 3 children being discussed was Alexandra Tydings /Luzzatto. If you look closely at the image in the blog post, you notice a disti nct "tribal" like tattoo on her right arm. It is literally the only picture ther e of her.

Viewing images of Alexandra Tydings in which you can see her right arm visibly, she has the same exact tattoo in the same exact spot:

Tamera Luzzatto is Ben's mother by law, not by blood, making her the childrens g randmother. Benjamin Almeida Luzzatto's mother is actually Anne Luzzatto, anothe r Clinton workhorse. You can find info about her here:

This is confirmed by the Washington Post doing a writeup on Ben's fathers death.

Former Georgia State Senator, Nancy Schaefer was an outspoken opponent of Child
Protective Services (CPS). Schaefer authored an investigation in which, among ot
her findings, revealed the following:
"…the separation of families is growing as a business because local governments have
 grown accustomed to having taxpayer dollars to balance their ever-expanding bud
gets.
The Adoption and the Safe Families Act, set in motion by President Bill Clinton,
 offered cash "bonuses" to the states for every child they adopted out of foster car
e. In order to receive the "adoption incentive bonuses" local child protective servi
ces need more children. They must have merchandise (children) that sell and you
must have plenty of them so the buyer can choose. Some counties are known to giv
e a $4,000 bonus for each child adopted and an additional $2,000 for a "special ne
eds" child.
In this document, Schaefer makes it clear that organizations, such as The Second
 Mile, procure their underage victims by making children wards of the State. CPS
 has unchecked legal authority to remove children, with or without cause. Subseq
uently, CPS and their partners, the corrupt juvenile court judges can place thes
e children wherever they see fit (e.g. The Franklin House, Boys Town, Elm House,
 The Second Mile Foundation) where unimaginable horrors take place.

**Schaefer and her husband died under very mysterious circumstances at their hom
e in Georgia in March of 2010.**
